

## **Afterschool care**

I give consent for my child/children to participate in Waimarino's OSCAR After School Programme. I understand that on occasion there may only be one adult with one child in a vehicle at any one time. Should my child need any medical attention due to sickness or accident I give my permission for Waimarino to seek the required qualified medical attention on my behalf. If my child suffers from any medical condition or requires medication I will notify Waimarino immediately and complete a medical consent form. I understand that Waimarino has the right to alter or change any of the activities in the programme. I understand the sunscreen policy that requires my child to wear a rash shirt or wetsuit during all water activities.

I understand that if my child does not attend one of our feeder schools, I am required to organise transport to the Waimarino after school programme for my child. I understand that there will be safety rules, boundaries and regulations that will need to be followed and understand that if my child is not adhering to these rules they may be suspended or expelled from the programme. I understand that Waimarino classifies bullying as "ruining the enjoyment of others" and that if my child is not adhering to these rules they may be suspended or expelled from the programme. If my child is suspended or expelled I understand that there will not be a refund. I also understand that Waimarino does not accept any responsibility for any lost, stolen or damaged items that my child may bring to the programme.

I understand that this enrolment is until the end of the term period booked. I understand that all after school programme invoices must be paid in full by the due date. There are no refunds if my child doesn't attend the Waimarino after school programme, nor do we offer "catch up days". We require two weeks written notice to change or amend your enrolment. I understand that credit card fees are non-refundable. For any invoices not paid by their due date, I will be charged a late payment fee of 10%. Also, if at the time of a new invoice being generated there is still an outstanding account balance, there will be a further late payment fee of 10% charged.
